

NACS headquarters office has moved . . .

In 1963 NACS moved from headquarters in San Diego, Calif. to Washington, D. C. We are now relocated in Falls Church, Va.

We are expanding and like many trade associations and companies, we find that the Metropolitan area has many disadvantages. Our new headquarters gives us the needed room, in a prestige area and yet only 10 minutes away from major activities.

Our New Community by 1980

**Our New
Office Building
July 1, 1974**

We have moved into Skyline Center, a \$175,000,000.00 project. A 100 acre complex with 25 acres devoted to office space, 3500 apartments, shopping mall, indoor recreation area, motor hotel and will be known as the largest apartment, shopping and office complex in the Metropolitan Washington Area.
